## FISH & CHIPS

**Fish & Chips** served with garden or mushy peas, tartare sauce, wedge of lemon 9.95

We use only Marine Stewardship Council certified sustainable cod or haddock (depending on what has been landed) of the highest quality. It is caught by trawler in the North Atlantic, then filleted and frozen at sea all within a few hours to lock in the freshness. The fish is defrosted naturally, hand-battered and cooked to order in our kitchen.
